Chaplain Message

Come, thou fount every blessing. Tune my heart to sing thy grace! - Robert Robinson (1758)

I grew up singing one of my favorite songs, Come Thou Fount of Every Blessing. I've sung it hundreds of times in my life, but it became my favorite because of some very specific memories. I remember as a child, visiting my grandparents who lived in another state. I remember sitting in the hard, wooden pews of their small-town church, snuggling into my grandmother's warmth, feeling her deep breaths and the vibrations of her singing, "tune my heart to sing thy grace." I felt safe there, and know that I was loved. In a way, those moments were attuning my own heart to experience and treasure the faith that has been passed down in my family for generations, even as I have grown into a faith of my own. When you think about what faith - or spirituality - means in your life, are there people or places, songs or words that make you feel safe and loved? How has your own belief been shaped? Who has been a part of your journey to becoming who you are?

This week Walmart, Dollar Tree & Twice is nice.

Sign-up to go. Please make sure your walker can fold down in order to allow space for everyone, plus all the goodies we return with that you purchase. Please note: You must also be able to navigate on own once inside.

All outings require residents to sign-up in the activity binder in the Activity Room. The binder has more details on the outing and lets us know who has the intention of going.
