Noteworthy Information

Intergenerational Bingo - We have a relationship with the local schools and offer different things throughout the academic year ending with a Bingo Bash on May 7th in the Dining Room. Crown of Life Students will be here for a series of Mondays coming up.

Reservations - The pub, private dining room, activity room, and theatre are areas you and your family can arrange to reserve. It is a first come first serve offering. It also requires coordination around the community life and building event offerings. Please reach out to Community Life to reserve and work out the details. We will work with you and/or your family on the details.
